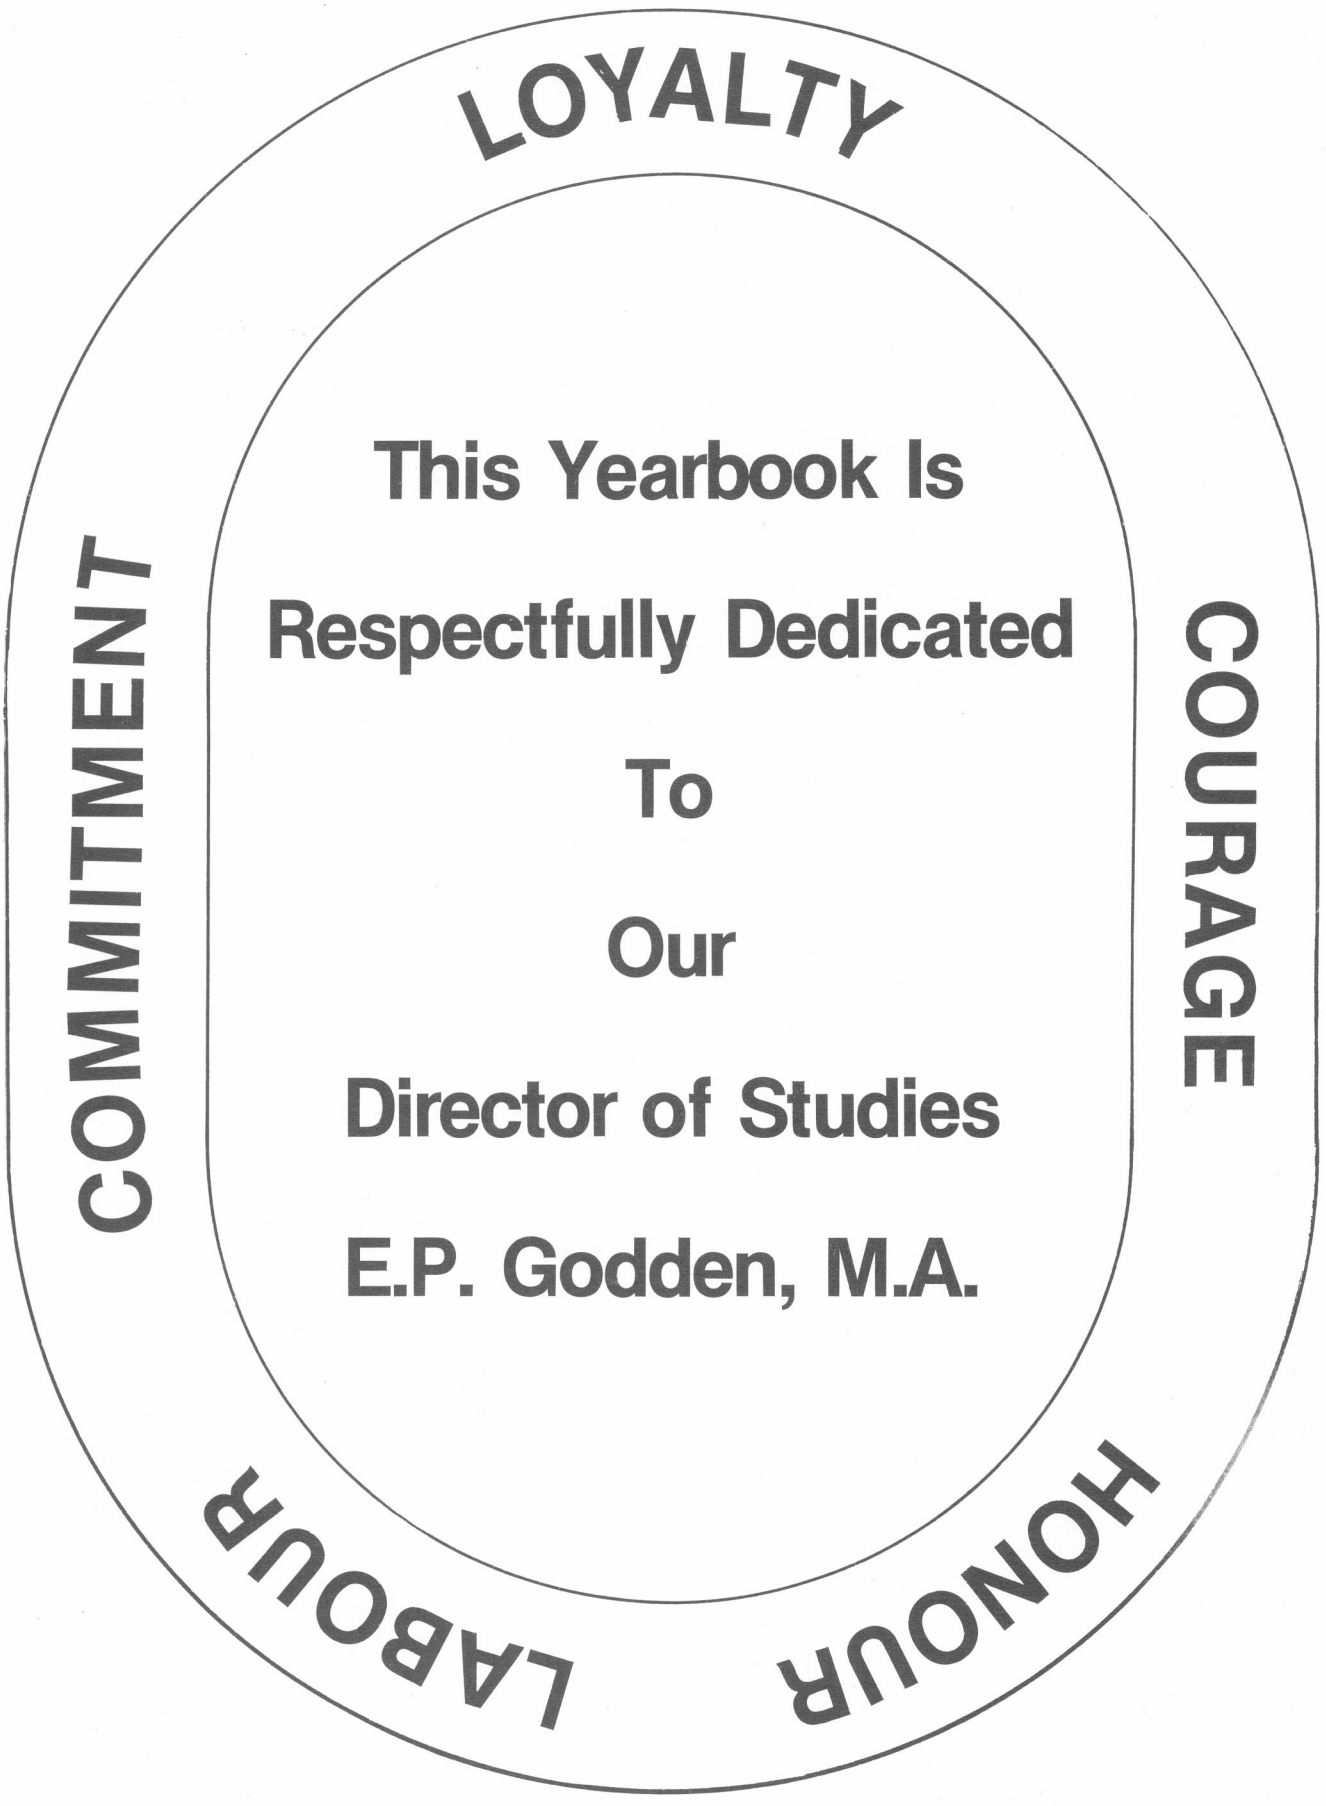
ROBERT LAND ACADEMY

1983/1984



This Yearbook Is

Director of Studies

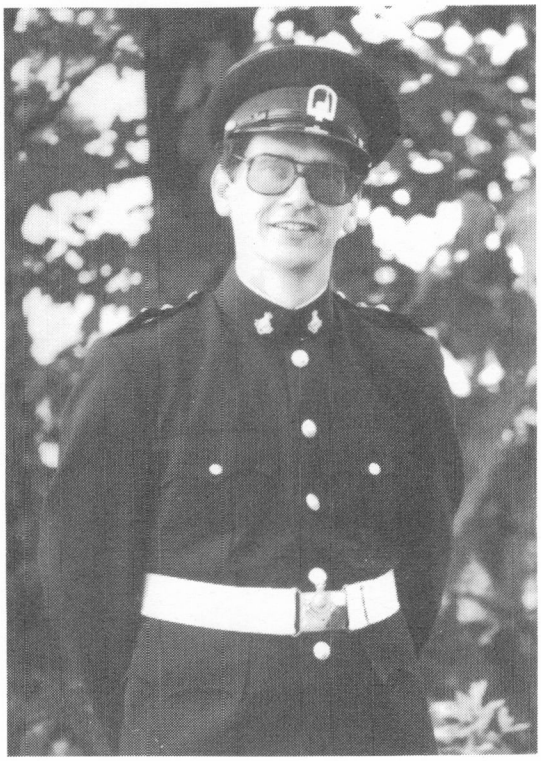
E.P. Godden, M.A.

Headmaster's Comment

Challenge, Growth and Discipline have represented the central theme of this year. Our challenge has been one of a larger student body and developing facilities. Our growth significantly has not been perceived in terms of these numbers, but the individual growth of Cadets and faculty and the collective growth or maturing of the Academy itself. Discipline has been necessary at every operative level throughout this year in order to meet our goals.

It will be a year remembered for the learning of very valuable lessons: that Robert Land is unique and demands more from its faculty, cadets and their families than other schools; that ambivalence or compromise of our principles or philosophy of education is unacceptable; that we are building men for the future and that the traditions of Loyalty, Labour, Courage, Commitment and Honour will serve them well.

Director of Studies' Comment



Whether it was setting up Recruit Camp at the beginning of the year, or deciding Awards at the end of the year, every aspect of this year was vastly different from every other year's experience. The routines and expectations which had developed over the last few years were still in place, but new wrinkles seemed to develop everywhere. We had more students than ever, who needed more instruction and discipline than ever and the annual challenge to progress and to succeed, both individually and as a school, was more intense than ever. The new academic building and Parade Square added a new sense of permanence and lasting value to the Academy which all of us appreciated. At the same time, the delay in moving into our classrooms reminded us of all the good old Robert Land traditions of making do, cooperating and working a little harder and longer for a reward.

Through all the experiences of this year, both familiar and new, one fact is clear: we succeeded. As many or more Honours Grades, promotions, and athletic awards were earned as in the past. They were earned through the same kind of hard work and commitment as ever, with the same degree of excellence. Standards never changed, goals never varied. No matter how uneven, or inconsistent, or nonexistent some of our progress was at times, the movement was forwards - gradual, but always forwards.

In six years, Robert Land has come a long way. From very modest beginnings, the Academy has grown into a school well-known for taking a tough, consistent and positive approach to the problems of education. There is no doubt in my mind that the foundation of the school is firmly laid, that it will grow not ever bigger, but always better. The challenge here will always be clearly defined and the challenge will always be met directly and vigorously, with our values foremost: Loyalty, Labour, Courage, Commitment and Honour.

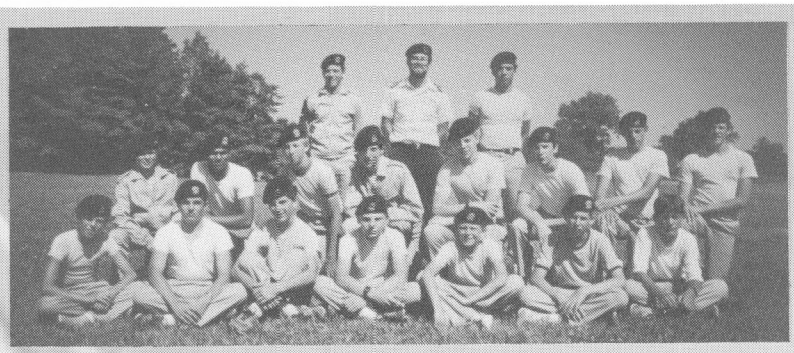
Sports



Soccer

The soccer team won three of its games, with only one defeat to mar its record. The games were all close contests, played in true R.L.A. spirit. While all team members played well, Sean Froats, Dean Lillie, Ted Assaf and Mark Maguire led the way.

Cross Country

Robert Land did well at the Ancaster invitational, finishing fifth overall. Mike Ritchie and Andrew Loch had the best individual performances. At SOSSA, the senior team finished fifth and the juniors were sixth. The Academy received strong efforts from: Mike Ritchie, Andrew Loch, Dave McDougall, Chris Montgomery and Frank Horgan.

Wrestling

The wrestling team, led by captains Chris Rischel and Mike Ritchie, enjoyed a successful year. Robert Land again won the zone championship. We won three dual meets and competed in seven tournaments with good results. Mike Miller and Frank Horgan were the first R.L.A. athletes to qualify for All-Ontario.

Hockey

The hockey team began with a powerful showing against the Dunnville Allstars. Led by Frank Nardi, R.L.A. defeated Dunnville 10-4. Although the team did not win again, it continued to play with skill and spirit in every game. In addition to Frank Nardi, Mike Gagnon, Jonathon Levy and Mike McNeil played well for the Academy.

Track and Field

A very successful year. R.L.A. ran faster, jumped higher and threw farther than ever before. Among the team and individual highlights: the distance running of Mike Ritchie, the record performance of the midget 4 x 100 relay team composed of Sean Bishop, Frank Nardi, Dave Williams and Perry Henrickson and the second place overall finish of Dave Williams in the midget division at the Hagersville invitational meet.

Fall Exercise '84

Exhaustion with a view. This year's fall exercise was just as tough as any other. Instead of travelling by road, we marched on the Bruce Trail from Queenston Heights to Beamsville and then back to Robert Land. Cadets, recruits and staff lugged full packs cross country for three days. The beauty of the Trail almost made you forget the sixty-five miles of aches and pains and blisters. Almost. The Senior Company claimed the final days honours, as they ran much of the last fifteen miles.

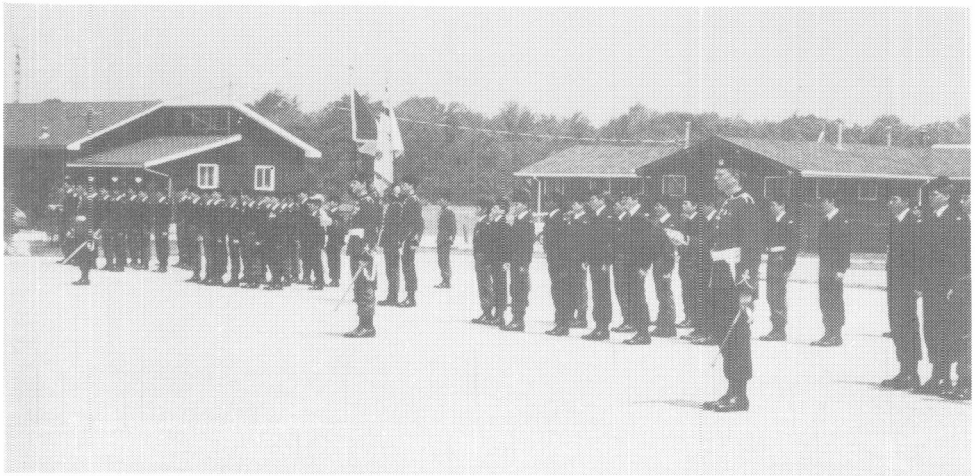
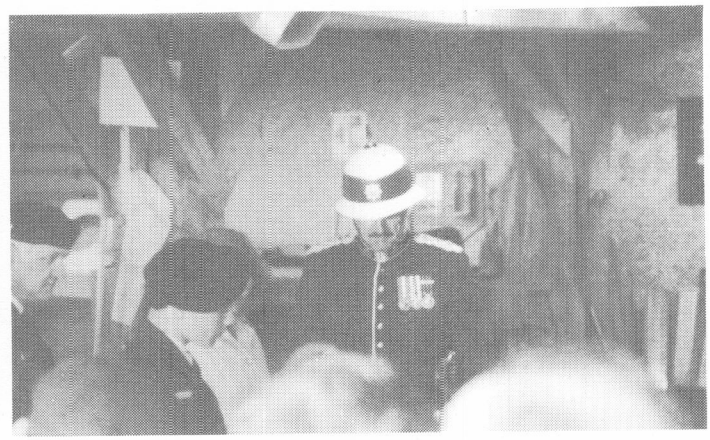
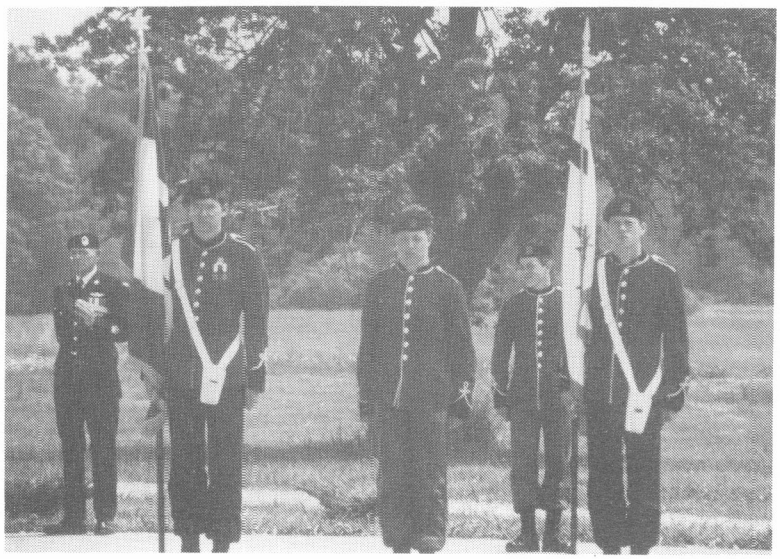
Annual Cadet Corps Inspection

Once again it was time to shine, clean or press everything on campus, as the Annual Inspection rolled around. One hundred and twelve cadets marched onto McCrae Square to be inspected by Col. E. Quinn C.D. of the Royal Canadian Regiment. Cadet Sergeant Drew Coombs led the Corps through an excellent parade. Col. Quinn had high praise for the marchpast and the numerous displays that followed: Volunteer Rifles, wrestling, boxing, soccer, greenhouse, automotive, model building, rocketry, rappelling, photography, academic work, a musical session and the precision drill team. The full day was topped off by a great banquet. Robert Land 2968 would like to thank the band of the Lincoln and Welland Regiment for adding their spirited presence to the occasion.







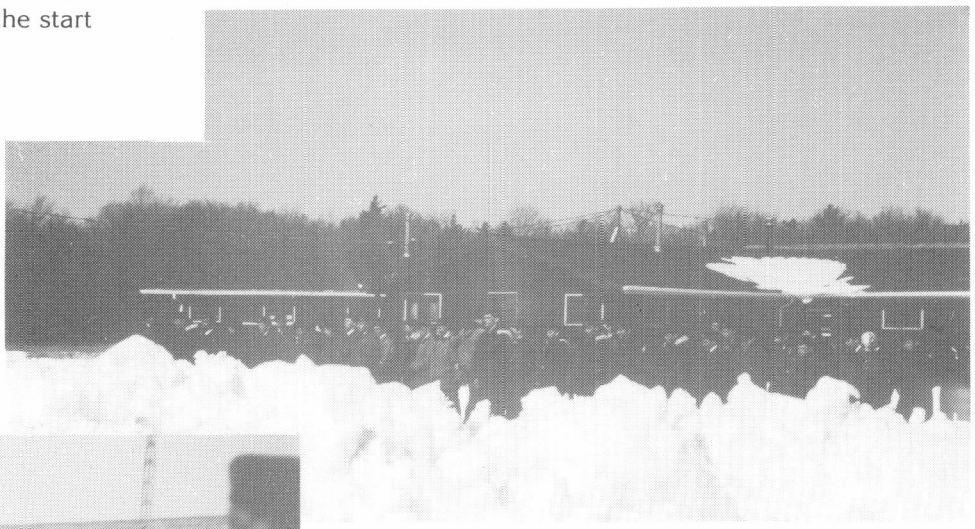
Parades

In addition to the Cadet Annual Inspection, Robert Land cadets marched in numerous parades.

On November 11, the whole school observed Remembrance Day with a ten mile march to Dunnville and participation in the Remembrance Day parade and wreath laying ceremony.

R.L.A. cadets were proud to march in the Bergen-op-Zoom parade, the Dunnville Decoration Day parade and the Mudcat Festival.

At the Academy, Governor's Parade and three stand-down parades provided the start to school holidays.



Special Events

Each year brings numerous special events and occasions. The whole school participated in the Terry Fox run and later in the Dunnville Cancer Movathon. As usual R.L.A. cadets led the way. Cadets attended dances in Smithville and Dunnville, visited senior citizens, set up chairs for Legion functions and provided honour guards and security personnel for the Niagara Regional Police Tattoo.

There was no lack of on campus events.

Winter Carnival. A fun day with all the trappings: canoe race, snow sculptures, hockey skills, curling, skiing, skating and snow ball fights galore.

Father and Son Day. A mixture of hard work, baseball, fishing and sweaty togetherness.

The Ski Trip provided its usual winter fun and snowy surprises at Kissing Bridge.
